2050 Trade Center Dr., St. Peters, MO 63376

Are you ready to enter the competitive workforce?

BCI Skills Center

We are enrolling students for the following training course. Tuition funding is available.

Manufacturing Program

Didion Orf Recycling

This 6-week course will provide students with the vocational and soft skills training needed to successfully secure competitive employment at Didion Orf Recycling as a full-time Dismantler. This course meets Monday-Friday for 3 hours each day.

Didion Orf is a certified R2v3/RIOS electronics and metals recycler, ensuring strict compliance with federal, state, and local regulations for electronics and data handling. Their commitment extends to promoting healthy, safe, and sustainable recycling practices.

- All training held onsite at Didion Orf in St. Peters, Mo.
- Students learn how to dismantle, identify, and sort computer components
- Students must be 18 years of age at hiring
- Starting wage is $16 per hour for full-time days
- Students must successfully complete program and meet all pre-hiring requirements in order to earn job offer
