

Are you ready to enter the competitive workforce?

We are enrolling students for
the following training course.
Tuition funding is available.

Health Care & Social Assistance Support Program **BJC HealthCare**

This six-week course provides vocational and soft skills training to prepare students for competitive, full-time employment as housekeepers with BJC HealthCare. Positions are available at Barnes-Jewish West County Hospital in Creve Coeur, St. Louis Children's Hospital, and Progress West Hospital in O'Fallon. Classes run Monday through Friday for three hours daily, with the final week extending to six hours to support a smooth transition to work. BJC HealthCare is one of the nation's largest nonprofit integrated health care organizations.

- » Training held at Barnes-Jewish West County Hospital in Creve Coeur
- » Students will learn how to clean and prepare patient and post-anesthesia rooms and common areas
- » Students must pass a BJC drug screen and background check and be fully vaccinated for COVID-19 and flu and able to stand for eight hours each workday
- » Starting wage is \$15/hour with day, evening, or night shifts available
- » Training is accredited by the Missouri Department of Higher Education
- » County or state funding typically covers tuition costs—scholarship funds may also be available
- » Students must successfully complete the course and meet all pre-hiring requirements to earn a job offer
