

Are you ready to enter the competitive workforce?

We are enrolling students for the following training course. Tuition funding is available.

Manufacturing Program Cambridge Air Solutions

This course will provide students with the vocational and soft skills training needed to successfully secure competitive full-time employment at Cambridge Air Solutions in Chesterfield or Wentzville. Cambridge designs, manufactures and installs commercial and industrial space heating, ventilation and cooling products.

- » All training will take place at a Cambridge location
- » Starting week 2, students become full-time employees and receive on-the-job training and pay
- » 3 hours each workday will count toward training requirements, including 1 hour dedicated solely to soft skills
- » Students prepared for full-time Manufacturing Tech positions (10-hour days, Mon-Thurs)
- » Students will learn pre-assembly tasks, paint prep, assembly, tools, safety, and lean manufacturing
- » Students must pass a drug screen and background check
- » Students must have H.S. diploma (or equivalent) and be able to stand for 10 hours a day
- » Starting wage \$15-17/hour at Chesterfield (1st or 2nd shift) or Wentzville (1st shift) locations
- » Students must successfully complete program and meet all pre-hiring requirements in order to earn job offer
