

Are you ready to enter the competitive workforce?

We are enrolling students for
the following training course.
Tuition funding is available.

Manufacturing Program **Didion Orf Recycling**

This six-week course will provide students with the vocational and soft skills training needed to successfully secure competitive employment at Didion Orf Recycling as a full-time Dismantler.

This course meets Monday-Friday for three hours each day. Didion Orf is a certified R2v3/RIOS electronics and metals recycler, ensuring strict compliance with federal, state, and local regulations for electronics and data handling. Their commitment extends to promoting healthy, safe, and sustainable recycling practices.

- » All training held onsite at Didion Orf in St. Peters, Mo.
- » Students learn how to dismantle, identify, and sort computer components
- » Training is recognized by the Missouri Department of Higher Education
- » County or state funding typically covers tuition costs—scholarship funds may also be available
- » Students must successfully complete the course and meet all pre-hiring requirements to earn a job offer
- » Students must be 18 years of age at hiring and starting wage is \$17 per hour for full-time days
