

Are you ready to enter the competitive workforce?

We are enrolling students for
the following training course.
Tuition funding is available.

Manufacturing Program **True Manufacturing**

This eight-week course will provide students with the vocational and soft skills training needed to successfully secure competitive employment at True Manufacturing as a full- or part-time Production Team member. This course meets Monday-Friday for three hours each day. True Manufacturing, the most trusted brand in commercial refrigeration, manufactures a wide range of best-in-class refrigerators and freezers.

- » Training held at the BCI Skills Center in St. Peters, Mo.
- » Students learn how to clean and perfect units, touch up paint and caulk, use tools, kit, perform subassembly, work in a team environment, and follow quality assurance protocol
- » Starting wages are \$20/hour full-time days, \$22/hour full-time nights, \$22/hour weekends and part-time
- » Students must be 18 years of age at hiring
- » Training is recognized by the Missouri Department of Higher Education
- » County or state funding typically covers tuition costs—scholarship funds may also be available
- » Students must successfully complete the course and meet all pre-hiring requirements to earn a job offer
